Profile

As a 4th year B.Tech student in Computer Science and Engineering, I bring a strong foundation in programming languages such as C, C++, HTML, CSS, and JavaScript, React. I am currently learning about MERN stack for full stack web development and Cloud for scalable storage. My coursework has equipped me with the skills to tackle complex problems and develop innovative solutions. I also possess strong communication skills, enabling me to effectively collaborate with team members. I am eager to apply my knowledge and skills to effectively contribute to challenging projects.

Education

Btech CSE *MIT Art, Design and Technology*   **Pune, Maharashtra**
CGPA: 9.14

Senior Secondary Education *SNBP School and Junior College*   **Pune, Maharashtra**
Percentage- 89.67

Secondary Education *The Bishop's Co-Ed School,Kalyani Nagar*   **Pune, Maharashtra**
Percentage- 97.67

Extracurricular Activities

Technical Team Lead *(GeeksForGeeks Student Chapter)*   *September/24*
Technical Team Member *(Geeks For Geeks MITADT-Student Chapter)*   *February/24-July/24*
- Taught about STL and questions related to it in a DSA Bootcamp to students.

Technical Team Member *(CodeChef MITSOC-Chapter)*   *September/23-July/24*
- Taught about arrays in CPP Bootcamp held by the club to students.

- Taught about STL and questions related to it in a DSA Bootcamp to students.

Skills

- **Hard Skills:** C, C++, HTML, CSS, JavaScript, DSA, React JS, MERN

- **Soft Skills:** Presentation, Planning, Organized, Problem-Solving, Teamwork, Active Listening

Projects

- **Recipe Website:** A full-stack Recipe Sharing Application built using the MERN stack that allows users to create, view, like, and explore delicious recipes from the community.

- **Notes Application:** A secure, full-stack Notes Application built using the MERN stack that provides authenticated users with a private space to create, view, update, and delete (CRUD) their personal notes.
